

## *NBA Mission Fuge*

*Belmont University -  
Nashville, TN*

Our new vision statement states that we exist to assist, network, and resource participating NBA churches and their missions in accomplishing their God-given purpose. To that end, let me make you aware of a resource opportunity we can help provide to your church, or sponsoring mission, through a partnership we have with Lifeway Camps.

Next summer for eight weeks during the months of June and July, M-Fuge will once again be in our city providing quality community ministry and volunteer service. Students, summer staff, and adult leaders will be working with our churches, missions, and other non-profit organizations throughout the city doing ministry in five key areas. Those areas are Children's Ministry, Creative Ministry, Social Ministry, Games and Rec Ministry, and Painting, Construction and Yardwork Ministry.

Could your church use some help with your summer VBS, Sports Camp, Block Party, Backyard Bible Club, etc.? If so, fill out the enclosed form and return it to the NBA office on or before the **February 16th deadline**. Be sure to list the week or weeks of your project request and describe as clearly as you can the nature of the work to be done.

For further assistance, feel free to call the NBA office at 259-3034.

In Christ,

NBA – Church Health Team
